Academic Renewal Grades:

Students who change majors/programs or withdraw and return may apply for academic renewal. This allows students to be considered as transferring from another institution. Grades prefaced by "R" denote academic renewal (i.e. "RC-" will appear for a course eligible for academic renewal with a final grade of "C-".)

Incomplete "I"/Incomplete Fail "IF" Grades:

An Incomplete "I" grade automatically becomes an Incomplete Fail "IF" grade if work has not been completed and a grade has not been submitted prior to the pre-determined expiration date.

In Progress Passing "IP" Grades:

"IP" grades are issued for internships, practicums, and courses that span more than one academic term. The "IP" grade indicates the student is passing as of term end. Unresolved "IP" grades will automatically become a failing "F" grade.

Mastery "MA" Grades:

"MA" grades are issued for competency-based programs once individual competencies are mastered. "MA" is equivalent to an "A" grade on a traditional grade scale.

Pass "P" and Satisfactory "S" Grades:

Pass "P" and Satisfactory "S" grades are defined as a "C" or better at the undergraduate level and a "B" or better at the graduate level.

Repeated Course "R":

A student may repeat a course for credit. The last grade, whether it is higher than, the same as, or lower than the first grade is included in the Cumulative GPA; the first grade is excluded. In instances where both grades are passing, credit is only earned once. "R" appears to the right of the GRDPT column of the repeated course.

Satisfactory "S"/Unsatisfactory "U" Grades:

An "S/U" option is available in some courses to students in lieu of letter grades. A satisfactory grade may be applied toward fulfilling degree credits, but will not be applied toward the quality point average. The Master of Fine Arts program utilizes only "S/U" grades.

Unearned Fail "UF" Grades:

A "UF" grade replaces a final grade of "F" in each course for any student who ceased participation in graded activities for all courses before the midpoint of the term.
